PETITION FROM RESIDENTS OF THE CONSTITUENCY OF HORNSEY AND
WOOD GREEN

15th April 2021

To the House of Commons.

The petition of residents of the constituency of Hornsey and Wood Green,

Declares that it is appalling that the new owners of the Mary Feilding Guild have issued eviction notices to the elderly residents during a pandemic; further that this is no way to treat vulnerable older people who have already been through such a difficult year.

The petitioners therefore request that the House of Commons urge the Government to call on the owners to halt their plans immediately, cancel the eviction notices and instead work with residents to save their homes.

And the petitioners remain, etc.
